

WHAT'S IN YOUR HOUSE

PART 2: THE HOUSE

MINISTER JERARD WOODS

Now is the time to get your house in order. What is our house? Us—our bodies. Our homes are a reflection of who we are. Sometimes we mask the outside of our house to make the inside seem better. Spiritually, sometimes we pretend that everything is okay when really, there are things in our lives that don't glorify God.

Scripture reference: Romans 12

What's inside our house will eventually come out. Similarly, what's in our heart will eventually come out. We can tell when someone is being genuine and when they are not. We want to love genuinely! We must allow God to clean us that goodness will come out of our house and not evil.

Scripture reference: Luke 6:45

What should not be in our home? Galatians 5:16-21

The works of the flesh should not be in our homes. In addition to these, however, there are certain things that, although not explicitly stated as sin in the Word, are not helpful for building and maintaining our spiritual homes, especially if there are others watching us.

Sometimes, we need help! Don't be afraid to show others the dirt. Call for your brothers and sisters in Christ to help you clean your spiritual home!

What should be in our home? Galatians 5:22-26

We want the fruit of the Spirit to be in our house. The fruit of the Spirit makes our homes more welcoming and loving, allowing others to come in and experience God through us.

Who owns the house?

Remember—it is God who owns the house! These physical bodies are only our temporary homes. We must honor God with our bodies, remembering that He is truly in control.

So invite the Lord in today! Let Him help you get your house in order. Call your brothers and sisters in Christ to help you clean, that your house may reflect who God is!
