

IT'S TIME!

People of God, *it is time!* Those things you've been believing for; those prayers you've been seeking God about; it is time to activate your faith and believe that those mountains will be moved! Whatever you have on the altar, God is exhorting us to trust Him with a "now faith," expecting that those things we speak will come to pass!

How do we get faith?

According to Romans 10:17, we acquire faith by hearing the Word of God. We must mix the Word with faith! Hope is the picture; faith is what brings it into reality. Faith is the confidence that what we hope for will actually happen.

Hebrews 4:2

Like a job that you work hard on for a reward, we also want the Word of God to profit us. This only happens by mixing the Word we hear with faith.

Mark 11:20-25

We need to speak to those mountains in our lives. Our words and actions must line up with our faith. It's time for us to stop giving up. The power of the Holy Spirit is at work within us!

What is your testimony? What are you saying about your situation?

Matthew 8:5-13, Revelation 12:11

The centurion knew about Jesus's authority. We have the same access to God's power and authority; "just say it!" It's time for us to overcome. Show me your testimony, and I'll show you your faith.

Luke 6:43-45

What we say flows out from what is in our hearts. If you aren't happy with what's coming out of your mouth, change what you're putting in your heart. Prepare your heart, that the Word may sow on good ground.

Joshua 2:1

Rahab's confession lined up with what she believed, and she was saved because of it. It's time for our words and actions to line up with our faith, too!
