

IT'S TIME!

People of God, *it is time!* Those things you've been believing for; those prayers you've been seeking God about; it is time to activate your faith and believe that those mountains will be moved! Whatever you have on the altar, God is exhorting us to trust Him with a "now faith," expecting that those things we speak will come to pass!

Hebrews 11:1-6

Through faith, we see what we're praying for before it ever appears in the physical world. Our words and actions must line up with what we believe.

How do we get faith?

According to Romans 10:17, we acquire faith by hearing the Word of God. We must make sure we're not hearing a bunch of junk, or it will detract from our faith.

Hebrews 4:2

Additionally, we must mix the Word of God we hear with our faith. If we don't believe what we're hearing, it doesn't profit us. Even if what you are believing for isn't happening now, believe like it is. There are things you have before the Lord; now it's time for you to see them!

Revelation 12:11

It's time for us to stop cycling between hope and despair. We overcome not just by the blood of the Lamb, but also by the *word* of our testimony. What you say, you will see.

Mark 11:12-14, 20-25

Don't limit God by saying, "there's no way this mountain can be moved." God can do anything! Whatever the mountain is in your life, speak to it, and expect it to be moved, having faith in God.

God is always in control. His will is better than any will we could dream up for ourselves. It's time to believe Him!
