

THANKFUL SUNDAY

Church, we serve an awesome God! He has forgiven us, blessed us with salvation, protected our families, healed our bodies, provided for us—in fact, any good thing that has ever happened to you is because of He loves you so much! Let's not get so caught up in what we want God to do that we forget to say, "thank You, Lord," for what He has already done. Take some time this week to meditate on how much God has blessed you, and be grateful!

Psalms 51:15, 35:28, 100:4, 107:22

Colossians 1:12

1 Chronicles 15:29

1 Chronicles 16:8-13

Psalms 92:1-5

Philippians 4:6-9

Proverbs 24:10

Colossians 3:17

1 Thessalonians 5:18

Deuteronomy 27-28

Don't be anxious about anything; instead, meditate on God's word and allow His peace to guard you. You didn't do anything to get yourself this far. If God brought you this far, He certainly can take you onward. The time to show our faith is in the day of adversity. We are in time—God isn't—so don't get so caught up in the situation that it becomes bigger to you than God's infinite power, wisdom, and love. And when you obey, God blesses! Be thankful!
