

NEVER GIVE UP

Exodus 32:1-6

It is important to write down what God tells us and the things He has done, that we may remember. In this passage of Scriptures, we see the people of Israel turn away from God to a golden calf that they created in only 40 days. Not only did they turn away from God, but they also gave credit to the golden calf for the things that only God could have done. We must be careful not to be like Aaron and the Israelites. Don't give up—believe that God will do what He said He would do, even if it doesn't happen on the timeline you think it should.

Genesis 32:22-32

What faith Jacob had in this passage! He grabbed onto God and said, "I won't let you go until You bless me." God desires the same faith from His children today. Church, we can't let go of God's promises so easily. Hold on, never giving up!

Psalms 37:3-9

Wait on the Lord. Even when it seems like everything is going opposite of the way you envisioned; even when everyone around you is getting blessed; wait on the Lord! Remember what He has done and let that be an encouragement of what He will do. Never give up!
