

WAKE UP

One of the most dangerous hazards on the road is someone driving while sleep deprived. They are attempting to operate their vehicle as if they were fully alert but can't because their senses are dulled. In the same way, there are many places in the church today where we are "asleep at the wheel." God is exhorting us to wake up, for lives are on the line!

Luke 21:34-36

Jesus exhorted us not to let our spiritual eyelids become heavy with the cares of this life, but to stay alert always. We should care more about pleasing God than pleasing people. Jesus Himself offended a lot of people on the earth, but it was all to wake them up that they might be saved.

Ephesians 5:1-20

God has called us to be the light of the world. Wherever light is, darkness cannot be, for light overcomes darkness. Similarly, wherever we are, the light of God's glory should overcome the darkness around us. We need to show the world the true power of God. We should be the same person on Sunday that we are all throughout the week.

1 Thessalonians 5:5-6

If you are asleep, know that you are still alive, which means you still have the opportunity to wake up. In what areas in your life is God challenging you to wake up? To which people is God telling you to witness the gospel? Wherever and whatever it is, wake up and stay alert!
