

2020 VISION

There's some stuff we need to leave in last year. If you're really moving, you go out of your way to leave everything you don't absolutely need. What are some of the things that we need to leave in 2019?

- Disappointment, failure, grudges, anger, vices, regret, hurt.
- Don't let the enemy have you stuck in something that happened last decade.
- Don't try to undo or redo: just let God do.
- When you hold on to the old stuff, you can't be part of the new thing God is doing. Don't waste your 2020s worrying about something that happened in the past.

7 Things To Take to the New Decade

1. Power

- If I serve the Lord of hosts, the Lord of heavens armies, I can believe Him to do something new.

2. Word (John 1:1-14)

- The devil will talk to you. We must take the Word to remind the devil that he is defeated and that we are more than conquerors. Also, nothing that has been made was made without the Word, so the Word is required for the new.

3. Love (Revelation 2:2-4)

- At the end of the day, everything we do must come from a place of love.

4. Peace (Shalom)

- Shalom: an inner sense of completeness or wholeness. Go for health and prosperity, and the inward sense of the fullness and safety that is only available through sonship with God. We also share God's uncontainable peace with others, becoming just like Jesus.

5. Wisdom

- At every age, Proverbs applies.

6. Gratitude

- It is easy to become discontented in our pursuit and desire to be and do. But we must have a base state of gratitude, no matter what happens or doesn't happen.

7. Self-discipline

- Knowing you can, but deciding you won't.

8. Relentless Persistence

- Life has its ups and downs. Social media only shows the ups. But no matter how hard life is, let's commit to being relentlessly persistent through adversity.

9. Belief (Hebrews 11:6; Mark 11:22; 1 Kings 17:8-24)

- Without faith, it is impossible to please God.

Whoever did you wrong, forgive them. Whoever let you down, forget it. Cast off past defeats. Let go of previous disappointments; they are irrelevant for this new decade. Do not take the devils from the past decade into this new decade. Do not give access to devils from last year in this year. Do not replace old devils for new ones in this new decade. It's a new day. It's a new year. It's a new decade!

It's a brand new opportunity to be all that the Lord placed you on this earth to be. It's your time to be more than you have ever been. It's your time to accomplish more than you ever knew possible. We still serve a great God who is doing a new thing (Isaiah 43:18-19)!

Don't ration your happiness based on what you feel you deserve. Don't ration your success based on what you feel is fair compared to others in the world, others in your situation, or others in your family. "Fair favor is not our focus. Unmerited favor is the only favor we can ever know."
